### WINDOWS 10 NEW AND IMPROVED

The latest Windows innovation comes with these smart features to keep you productive in the office and on the go:

- Windows Hello: a more personal and secure way to get instant access to your device using face or eye recognition
- Get the information you're looking for and perform tasks with ease — meet Cortana; your clever, voice-controlled digital assistant
- Navigate all open programs with the new virtual desktop mode: Task View
- Improved Action Center provides quick action buttons for activating Bluetooth, VPN access and Tablet mode

### NEXT GEN DEVICES CHOOSE YOUR OWN DEVICE

Customize your Evolve experience. You'll have hundreds of devices from world-class manufacturers to choose from. Our experts will work with you to ensure you get the right device to keep your team productive.

### EVOLVE-365 HUB MANAGEMENT PORTAL

Evolve Hub provides a smart, graphical user interface that helps with:

- Understanding and driving Office 365 adoption and usage
- Managing Office 365 efficiently with minimal time spent
- Improving overall security and governance
- Taking full control of Office 365 features and applications
