SERVICE. DRIVEN. COMMERCE

<sup>1</sup> To qualify, merchant must present a Global Payments representative with an official printed price quote or invoice/statement from a recognized payment processor in Canada showing their current processing/rental fees.

<sup>2</sup> Minimum one (1) year contract commitment required. Global Payments is under no obligation to approve a merchant and reserves the right to determine qualified merchants in accordance with its credit adjudication and other policies and procedures. Payment processing and pricing approvals provided by Global Payments Direct, Inc. Terminals and terminal services provided by Global Payments Canada GP. This offer is subject to change, withdrawal or cancellation at any time and is not valid with any other offer.

<sup>3</sup> The promotional offer described above is available to new Global Payments clients that enter into a credit and debit processing agreement with Global Payments Direct, Inc. and that rent or purchase a point-of-sale (POS) solution from Global Payments Canada. Quoted merchant discount rates apply to Canadian transactions that qualify at the Consumer Electronic Interchange level, as set by Visa and Mastercard. Transactions that do not qualify for this Interchange level, will be subject to an Interchange Differential/Downgrade Fee. Assessment fees apply to Canadian transactions. Other fees/taxes may apply.

<sup>4</sup> An account credit towards your Edmonton Chamber of Commerce membership fees will be applied to your Global Payments account, up to a maximum value of \$1,000 CDN; the account credit will be applied approximately 120 days after the merchant begins processing credit and debit transactions with Global Payments, provided that the first credit or debit transaction is processed within the first 30 days following account activation and that the merchant processes at least \$1,000.00 in total credit card volume in the first 60 days. One (1) credit will be awarded per merchant relationship, regardless of locations or merchant IDs (MIDs).
