

SANDY JACOBSON
VICE PRESIDENT

As Vice President of Richardson Executive Search, Sandy is responsible for building the overall success of the Edmonton Branch and for creating, planning and executing the strategic direction of the company. Sandy has a diverse background having worked in many business sectors, including public, not-for-profit, commercial real estate, academia, start-ups and corporate fundraising.

Sandy brings over 13 years' experience and a proven track record in executive search, specializing in talent management for senior executives for some of Canada's top employers. She has an extensive network and is focused on working with companies and organizations looking to attract top talent to impact their business and achieve overall company performance. Sandy emulates Richardson Executive Search's commitment to sourcing, evaluating, and introducing the best talent to fit our client's needs. Together with the Richardson Executive Search team, Sandy delivers seamless and sustainable leadership and mentorship, positioning our clients at a superior competitive advantage within their respective markets.
