

Jeffrey Sundquist
Chief Executive Officer & Board Member

Jeffrey serves as Chief Executive Officer and Board Member of **EDC ENVIRONMENTAL GROUP OF COMPANIES**, the parent investment company of leading industrial wastewater business **CLEAN INDUSTRIAL TECHNOLOGIES** as well as soil remediation company **CLAYTECH SERVICES INC.** As CEO, he oversees the corporate direction, strategy and execution, focusing on leadership, innovation and customers.

Jeffrey is a former senior diplomat having previously been appointed to the High Commission of Canada in London as the special envoy to the United Kingdom and the European Union where he represented the economic, trade and policy interests for the Province of Alberta. In this role, he successfully lead the trade, investment and reputational strategy for the province and managed Alberta's reputation across Europe as a responsible developer of its natural resources.

Serving at senior executive levels in both private and public sectors, Jeffrey has significant experience in the fields of international diplomacy, corporate acquisitions, finance, business optimization and strategic planning. As a former dean with one of Canada's largest technical institutes, Jeffrey was responsible for the financial performance of all non government-funded academic programs, corporate and Aboriginal training, international affairs and the institutes' northern and rural campuses.

Jeffrey attended Concordia University College, and holds a BA in Economics from the University of Alberta. He is a member of the inaugural Board of Directors of **Edmonton Global** where he Chairs the Finance & Audit Committee. He also serves as a special advisor to the **Canada-UK Chamber of Commerce (London)** where he was previously Vice President, Board Member and Chair of the Energy Forum. Jeffrey also Chairs the **Edmonton Chamber of Commerce Energy and Environment Committee** and was formerly the Province of Alberta's representative on the **China National Petroleum Corporation-Alberta Petroleum Centre (CAPC)** Board in Beijing.
